A NTHRACITE COAL FOR THE WAVY.

NAVY DEPARTMENT. BUREAU OF EQUIPMENT AND RECRUITING,
May 24, 1864.

Sealed Proposals for furnishing Anthracite Coal
for the Navy, to be delivered during the fiscal
year ending 30th June, 1865, will be received at this
Bureau until 10 a. m., 18th June, 1864.

These proposals must be endorsed, "Proposals
for Anthracite Coal for Steamers," that they may be distinguished from other business letters.

The offer must be for the delivery of 100,000 tons.

The coal must be of the best Buck Mountain or Black Heath, or of a kind equal to them in all respects, for the purpose intended, which equality will be determined by a Board appointed by the Secretary of the Navy after the reception of the hids The name of the coal proposed to be furnished must be stated in the offer.

It is to be delivered in lumps of suitable size for naval steamers—clean, of uniform quality, selected free from impurities, unmixed—of which the contractor will be required to furnish such evidence as will be set set or and he subject to such dence as will be satisfactory, and be subject to such inspection as to quality and quantity as the Department may direct. The coal must in all respects be satisfactory to the inspector or inspectors, to be appointed by the Bureau, who will have

tors, to be appointed by the Bureau, who will have the right of peremptory rejection.

The ceal is to be delivered on board vessels, at such place in the port of Philadelphia as may be designated by the Bureau, and in such quantities and at such times as, in the opinion of the Bureau, the exigencies of the service may require; commencing when the vessel is reported ready to receive cargo; furnishing, if demanded, not less than 1.000 tons per day, to be distributed to each vessel, as may be directed, until the loading is completed.

Proposals will likewise be received for the delivered. completed.

Proposals will likewise be received for the delivery of \$9,000 tons of the same quality of coal, to be delivered in the port of New York, on board vessels, as at Philadelphia.

In the case of failure to deliver the coal in proper quantity, of the proper quality, and at the proper time and place, the Bureau will reserve in the contract the right to purchase forthwith, at the contractor's risk and expense, that which may seem necessary to supply the deficiency.

Any demurrage, or other charges to which the Navy Department may be subjected from delay in the prompt delivery of the coal by the contractors, will be deducted from their bills. will be deducted from their bills.

The price must be for the coal delivered on board vessels, on the terms and conditions above stated, at the contractor's risk and expense, and without extra charge of any kind.

The offer, as required by law, must be accompanied by a written guaranty, signed by one or more responsible persons, to the effect that they undertake that the bidder or bidders will, if his or their

proposed. No proposition will be considered unless accompanied by such guarantee: and the Department reserves the right to reject all the offers, if considered to be to the interest of the service to do so. Two or more sureties each in a sum equal to the amount specified to be paid, will be required to sign the contract, and their responsibility will be certified by a United States District Judge, United States District Attorney, Collector, or Navy Agent As additional and collateral security—twenty per cent. will be withheld from the amount of all pay-ments, which reservation is not to be paid except by authority of the Secretary of the Navy, until the contract shall have been in all respects complied with; and the remaining eighty per cent. or other amount that may be due upon each bill, will, when a proper certificate is furnished by the inspector, and the bill approved by the Bureau, be paid by such pavy agents as the contractor may name, within ten days after the warrants for the same shall have been passed by the Secretary of It will be stipulated in the contract that if default be made in the delivery of the coal—in the quantity.

The quanty, and at the place and time directed by the Bureau—then, and in that case, the contractor and his sureties will forfeit and pay to the United States, as liquidated damages, a sum of money not exceeding twice the contract price, which may be recovered from time to time, according to the act or sets of Congress in that case pro-

bid be accepted, enter into obligation, at such time as may be prescribed by the Bureau, with

good and sufficient sureties, to furnish the supplies

wided.

Bidders whose proposals shall be accepted, and none other, will be notified, and, as early as practicable, a contract will be transmitted to them, which they will be required to execute within ten days after its receipt at the Post Office or navy agency named by them.

The form of offer, guaranty, and certificate is herewith siver. herewith given:

ing to the act or acts of Congress in that case pro-
